

Lower Costs, Better Care for Pennsylvania Seniors: Medicare After The Affordable Care Act

The Affordable Care Act strengthens Medicare and helps 2.3 million seniors and people on Medicare in Pennsylvania take charge of their health. The law provides important benefits such as free preventive services, free annual wellness visits, a 50 percent discount on prescription drugs for Medicare recipients in the coverage gap known as the “donut hole,” and a phase-out of the donut hole altogether by 2020. Medicare is now more affordable, with lower premiums and cost sharing, and continues to offer enrollees a choice of a private Medicare Advantage plan. These benefits are already making a difference in the lives of seniors. The chart below highlights how seniors in Pennsylvania have seen their Medicare benefits improve in the last year.

	Benefits in 2010	Benefits in 2011
More Affordable Prescription Drugs	247,686 Pennsylvania residents on Medicare who hit the Medicare prescription drug donut hole received a tax-free \$250 rebate check. As a result, Medicare enrollees in Pennsylvania saved \$61.9 million.	All Pennsylvania residents on Medicare who hit the prescription drug donut hole will receive a 50 percent discount on their brand name prescription drugs and cheaper generic drugs. As of March, enrollees hitting the donut hole nationwide had already saved an average of \$800 on their prescription drugs.
Free Preventive Services	Medicare charged co-pays and deductibles for preventive services like mammograms and other cancer screenings to the 2.3 million Pennsylvania residents on Medicare.
