Subject: bioeconomy idea

I'm the Pres and CEO of the Society of Physician Entrepreneurs at www.sopenet.org and linkedin group .
We now have over 1500 international members and chapters across the US and around the world.

You should support our organization to help create virtual biomedical and healthcare innovation networks throughout the US.

Arlen Meyers, MD, MBA
Professor, Departments of Otolaryngology, Dentistry and Engineering
University of Colorado
President and CEO, Society of Physician Entrepreneurs www.sopenet.org
