

**EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503**

May 15, 2017

Statement from OMB Director Mick Mulvaney:

**Budgetary Impact Analysis for Executive Order Entitled
“Establishment of the American Technology Council”**

This executive order establishes the American Technology Council. Implementing this executive order would have a *de minimis* impact on costs and revenues to the Federal Government. The benefits of this executive order include the promotion of secure, efficient, and economical use of information technology across the Federal Government. Implementing this executive order would have a *de minimis* impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-fiscal year period beginning in fiscal year 2017. The agencies anticipated to be impacted by this executive order include the Departments of Defense, Commerce, and Homeland Security, the Office of the Director of National Intelligence, the General Services Administration, and the Executive Office of the President.
