Statement from OMB Director Mick Mulvaney:

**Budgetary Impact Analysis for Executive Order Entitled
“Promoting Agriculture and Rural Prosperity in America”**

This executive order establishes the Interagency Task Force on Agriculture and Rural Prosperity. Implementing this executive order would have a *de minimis* impact on costs and revenues to the Federal Government. The benefits of this executive order include a comprehensive review of Federal policy with respect to agriculture and rural America, taking into account the views of all relevant rural stakeholders. Implementing this executive order would have a *de minimis* impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-fiscal year period beginning in fiscal year 2017. The agencies anticipated to be impacted by this executive order include the Department of Agriculture and those listed as members of the Task Force.
