Semiannual Regulatory Agenda
OFFICE OF MANAGEMENT AND BUDGET (OMB)

OMB Circulars and OFPP Policy Letters are published in accordance with OMB’s internal procedures for implementing Executive Order 12866 (October 4, 1993, 58 FR 51735). OMB Policy guidelines are issued under authority derived from several sources including subtitles I, II, and V of title 31, United States Code; Executive Order 11541; and other specific authority as cited. OMB Circulars and OFPP Policy Letters communicate guidance and instructions of a continuing nature to executive branch agencies. As such, most OMB Circulars and OFPP Policy Letters are not regulations. Nonetheless, because these issuances are typically of public interest, they are generally published in the Federal Register both for public comment and final stages. For this reason, they are presented below in the standard format of “prerule,” “proposed rule,” and “final rule” stages.

CASB Cost Accounting Standards are issued under authority derived from 41 U.S.C. 422. Cost Accounting Standards are rules governing the measurement, assignment, and allocation of costs to contracts with the U.S. Government.

For purposes of this agenda, we have excluded directives that outline procedures to be followed in connection with the President’s budget and legislative programs and directives that affect only the internal functions, management, or personnel of Federal agencies.
