and industrial and consumer products containing nanomaterials; characterizing the health of exposed populations and environments; and understanding workplace processes and factors that determine exposure to nanomaterials.

The presentations, discussions, and comments provided at this meeting will inform the NEHI Working Group’s continuing adaptive management of the National Nanotechnology Initiative’s environmental, health, and safety research strategy.

The NSET Subcommittee coordinates planning, budgeting, and program implementation and review to ensure a balanced and comprehensive National Nanotechnology Initiative (NNI). The NSET Subcommittee is composed of representatives from Federal agencies participating in the NNI. In order to perform work in the area of environmental, health, and safety, NSET created a working group, the Nanotechnology Environmental Implications (NEHI) Working Group. The NNCO provides technical and administrative support to the NSET Subcommittee and serves as a central point of contact for the NNI.

For more information on the National Nanotechnology Initiative and its various working entities, please visit http://www.nano.gov.

M. David Hodge, Operations Manager, OSTP.

POSTAL REGULATORY COMMISSION

[Docket No. MC2008–1 (Phase II); Order No. 168]

Review of Nonpostal Services

AGENCY: Postal Regulatory Commission.

ACTION: Notice.

SUMMARY: The Commission is establishing a docket to develop a complete record on three matters that were not resolved in a recent docket. This will allow the Postal Service and others an opportunity to present their views prior to final Commission decision on the status of the underlying services.

DATES: January 29, 2009: Deadline for the Postal Service and other participants to file supporting evidence. February 10, 2009: Deadline for new interventions. February 11, 2009: Prehearing conference will be held on at 10 a.m. in the Commission’s hearing room.

ADDRESSES: Submit filings electronically via the Commission’s Filing Online system at http://www.prc.gov.

FOR FURTHER INFORMATION CONTACT: Stephen L. Sharfman, General Counsel, 202–789–6820 and stephen.sharfman@prc.gov.

SUPPLEMENTARY INFORMATION: Regulatory History, 72 FR 73099 (December 28, 2007).

In Order No. 154, the Commission authorized 14 nonpostal services to continue. Finding the record insufficient in certain respects, the Commission deferred ruling on three issues more fully addressed below, involving licensing, the warranty repair program, and sales of music compact discs. This order establishes procedures to develop a more complete record on these issues beginning with an opportunity for the Postal Service to present its case on these issues and followed by an opportunity for interested persons to respond.

Licensing. In Order No. 154, the Commission generally authorized the licensing of the Postal Service’s intellectual property to continue as a nonpostal service. Id. at 73. As an interim measure, however, the Commission grandfathered the licenses of the Postal Service’s brands on products relating to the Postal Service’s operations, categorized by the Postal Service as Mailing & Shipping, pending the outcome of Phase II. This issue was brought to the forefront late in the first phase of this proceeding by Pitney Bowes upon learning that Postal Service-branded postage meter ink cartridges were being sold. The Commission found that the record on licenses related to Postal Service operations to be insufficiently developed for it to determine whether those licenses should be terminated or authorized to continue.

Further proceedings in this Phase II are needed to develop a more complete record regarding licensing programs for products related to Postal Service operations generally, as well as the...
