

EXECUTIVE OFFICE OF THE PRESIDENT  
OFFICE OF MANAGEMENT AND BUDGET  
WASHINGTON, D.C. 20503

THE DIRECTOR

January 4, 2018

The Honorable Paul D. Ryan  
Speaker of the House of Representatives  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Mr. Speaker: 

Section 251(a)(7) of the Balanced Budget and Emergency Deficit Control Act of 1985 requires that the Office of Management and Budget (OMB) submit a report to the Congress on discretionary appropriations legislation within seven calendar days of enactment (excluding Saturdays, Sundays, and legal holidays). The "Seven-Day-After" report must contain the OMB and Congressional Budget Office estimates of discretionary new budget authority provided by the legislation and an explanation of any differences between the two estimates.

Enclosed is the Seven-Day-After report for the Department of Defense Missile Defeat and Defense Enhancements Appropriations Act, 2018 (division B of Public Law 115-96). The President signed the Act into law on December 22, 2017. The remaining divisions of the Act either contain continuing appropriations or are not counted toward the discretionary spending limits.

Sincerely,

Mick Mulvaney  
Director

Enclosure

Identical Letter Sent to The Honorable Michael R. Pence

**Notes:**

- 1 Enacted appropriations reflect OMB scoring of emergency supplemental amounts in division B of Public Law 115-96, the Department of Defense Missile Defeat and Defense Enhancements Appropriations Act, 2018.
- 2 The FY 2018 spending limits for the defense (or "revised security") and non-defense (or "revised nonsecurity") categories are equal to the amounts published in the *OMB Sequestration Update Report to the President and Congress for Fiscal Year 2018* (see OMB's website: <https://www.whitehouse.gov/omb/legislative/sequestration-reports-orders/>).
- 3 At present, previously enacted appropriations for 2018 only reflect those emergency amounts enacted in division A of Public Law 115-72, the Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2017. Those appropriations were enacted on October 26, 2017.
- 4 Section 251(b)(2)(A) of the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) authorizes an adjustment to the caps for appropriations that are designated by the Congress, and subsequently designated by the President, as emergency requirements or for Overseas Contingency Operations/Global War on Terrorism. Division B of Public Law 115-96 includes funding for these activities with the appropriate designations as emergency requirements and the President transmitted to the Congress on December 22, 2017 his subsequent designations of all of these amounts. These amounts are summarized here and are not included in the totals displayed above that are counted against the caps. The adjustments to the discretionary limits to reflect this spending are not included in this report but will be included in OMB's Final Sequestration Report for 2018.
