

**EXECUTIVE OFFICE OF THE PRESIDENT**  
**OFFICE OF MANAGEMENT AND BUDGET**  
WASHINGTON, D.C. 20503

Statement from Acting OMB Director Russ Vought:

**Budgetary Impact Analysis for Executive Order Entitled  
“Streamlining and Expediting Requests to Locate Broadband  
Facilities in Rural America”**

This executive order directs the Administrator of General Services to take certain actions with the goal of expediting broadband infrastructure deployment across rural America. Implementing this executive order would have a *de minimis* impact on costs and revenues to the Federal Government. The benefits of this executive order include a renewed focus on improving broadband infrastructure and access to rural Americans. Implementing this executive order would have a *de minimis* impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-fiscal year period beginning in fiscal year 2018. The agencies anticipated to be impacted by this executive order include the General Services Administration, the Office of Management and Budget, and those departments and agencies that manage relevant Federal property.
