

**EXECUTIVE OFFICE OF THE PRESIDENT  
OFFICE OF MANAGEMENT AND BUDGET  
WASHINGTON, D.C. 20503**

Statement from Acting OMB Director Russ Vought:

**Budgetary Impact Analysis for Executive Order Entitled  
“Protecting America Through Lawful Detention of Terrorists”**

This executive order rescinds a section of a previous executive order ordering the closing of the detention facilities at U.S. Naval Station Guantanamo Bay (GTMO), and affirms that the United States maintains the option to detain additional enemy combatants at GTMO when necessary. Implementing this executive order would have a *de minimis* impact on costs and revenues to the Federal Government. The benefits of this executive order include the preservation of a vital tool to protect the United States and its citizens from continuing significant terror threats. Implementing this executive order would have a *de minimis* impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-fiscal year period beginning in fiscal year 2018. The agencies anticipated to be impacted by this executive order include the Departments of State, Defense, Justice, and Homeland Security.
