

**EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503**

Statement from Acting OMB Director Russ Vought:

**Budgetary Impact Analysis for Executive Order Entitled
“Improving Price and Quality Transparency in American Healthcare To Put Patients
First”**

This executive order requires relevant agencies to undertake certain steps to ensure that patients are engaged in their healthcare decisions and have the information requisite for choosing the healthcare they want and need. Implementing this executive order would have a *de minimis* impact on costs and revenues to the Federal Government. The benefits of this executive order include enhancing the ability of patients to understand the cost and quality of healthcare providers and services in advance and to choose the healthcare that is best for them. Implementing this executive order would have a *de minimis* impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-fiscal year period beginning in fiscal year 2019. The agencies anticipated to be impacted by this executive order include the Departments of the Treasury, Defense, Justice, Labor, Health and Human Services, and Veteran Affairs, Office of Personnel Management, and the Federal Trade Commission.
