MORE CHOICE FOR PATIENTS

CONTROL OVER YOUR HEALTHCARE DOLLARS

- ✓ President Trump has repealed the individual mandate and given millions of Americans access to more direct control over their healthcare spending, through Health Savings Accounts and Health Reimbursement Arrangements.

President Trump commits to give financial assistance to people, not insurance companies, and ensure patients are in charge of decisions about their coverage and care.

AFFORDABLE HEALTH PLANS

- ✓ President Trump has expanded access to affordable alternatives for small businesses and individuals priced out of health coverage by Obamacare.

President Trump commits to give access to health coverage tailored to your individual needs, not a one-size fits all option determined by government bureaucrats in Washington.

EXPAND TELEHEALTH FOR MILLIONS

- ✓ During the pandemic, President Trump took emergency action to expand access to telehealth to millions of Medicare beneficiaries.

President Trump commits to give Medicare beneficiaries access to telehealth regardless of where they live.

EXPAND STATE FLEXIBILITIES

- ✓ President Trump granted States waivers from Obamacare that have reduced health insurance premiums by 11% (WI), 18% (CO), 20% (MN), and 30% (MD).

President Trump commits to give States the flexibility to lower premiums while still protecting pre-existing conditions.

MORE CHOICE FOR PATIENTS

LOWER COSTS FOR PATIENTS

LOWER PRESCRIPTION DRUG PRICES

- ✓ President Trump has lowered drug prices for the first time in 50 years through record setting generic drug approvals, lowering the cost of insulin for seniors, and paving the way for lower cost medicine alternatives to be imported from Canada for the first time.

President Trump commits to guarantee American patients and American seniors get the best drug prices in the world.

TRANSPARENT PRICING

- ✓ President Trump took the most aggressive action in history to ensure that patients have access to real price information before they go to the hospital.

President Trump commits to make sure Americans can shop based on price before they receive care.

END SURPRISE BILLING

- ✓ President Trump eliminated surprise bills for COVID-19 related care.

President Trump commits to prohibit surprise medical bills that patients had no meaningful ability to plan for in advance.

CUT WASTE, FRAUD, AND ABUSE

- ✓ President Trump took on special interests and lobbyists. He strengthened the ability for Medicare to stop fraud before it happens so more dollars are spent on patients.

President Trump commits to ensure Medicare patients are not arbitrarily up-charged for receiving care at one doctor's office or hospital rather than another.

LOWER COSTS FOR PATIENTS

BETTER CARE FOR PATIENTS

PROTECT PEOPLE WITH PRE-EXISTING CONDITIONS

- ✓ President Trump has taken unprecedented action to provide better access and care for those with a variety of pre-existing health conditions, including: covering testing and treatment for COVID-19, helping those with substance use disorder, improving kidney care, and ending HIV/AIDS.

President Trump commits to always ensure patients with pre-existing conditions have access to the care they need.

INNOVATIONS IN TREATMENT FOR COMPLEX AND COMMON MEDICAL CONDITIONS

- ✓ President Trump has dedicated unprecedented resources for COVID-19 therapeutics and vaccines, substance use disorder, HIV/AIDS, pediatric cancer, kidney disease, Sickle Cell Disease, Alzheimer's disease, and has given terminally ill patients the right to try.

President Trump commits to dedicate the resources necessary to treat and research medical conditions Americans face, including cancer, heart disease, severe mental illness, and any new infectious disease threats to the American people that emerge.

EASY CONTROL OVER YOUR MEDICAL RECORDS

- ✓ President Trump took action to give patients back control over their own health data.

President Trump commits to cutting red tape to ensure patients and doctors have access to their health information in a secure and timely manner.

ACCESS TO DOCTORS YOU TRUST WHEN AND WHERE YOU NEED THEM

- ✓ President Trump has created new ways for Medicare to pay doctors and hospitals, especially in rural areas, to ensure Americans will have access to the care they need.

President Trump commits to improve access to innovative arrangements like direct primary care, and stop the radical agenda to end access to your doctor through government takeovers that lead to socialized medicine.
