

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

January 25, 2021

Statement from Acting OMB Director Robert Fairweather

**Budgetary Impact Analysis for Executive Order Entitled
“Ensuring the Future is Made in All of America by All of America’s Workers”**

This executive order maximizes the United States Government’s use of goods, products, and materials produced in, and services offered in, the United States. Among other things, the executive order requires agencies to take appropriate action to further the policy of procuring goods, products, materials, and services from sources that will help American businesses compete in strategic industries and help America’s workers thrive. This executive order also establishes the Made in America Office within the Office of Management and Budget. Implementing this executive order would have de minimis impact on costs and revenues to the Federal Government. The benefits of this executive order include helping American businesses compete in strategic industries and helping America’s workers thrive. Implementing this executive order would have a de minimis impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-fiscal year period beginning in fiscal year 2021. The agencies anticipated to be impacted by this executive order include all executive departments and agencies.
