Statement from OMB Director Shalanda Young

Budgetary Impact Analysis for Executive Order Entitled “Continuing To Strengthen Americans’ Access To Affordable Quality Health Coverage”

This executive order would direct agencies to continue their efforts to expand the availability, affordability, and quality of health insurance. Implementing this executive order would have no impact on costs and revenues to the Federal Government. The benefits of this executive order include expanding the availability of affordable health coverage, improving the quality of coverage, strengthening benefits, and helping more Americans enroll in quality health coverage. Implementing this executive order would have no impact on mandatory and discretionary obligations and outlays, as well as on revenues to the Federal Government, in the 5-year fiscal period beginning in fiscal year 2022. The agencies anticipated to be impacted by this executive order include the Department of Health and Human Services and all agencies with responsibilities related to Americans' access to health coverage.
