
**OMB REPORT TO THE CONGRESS
ON THE BBEDCA 251A SEQUESTRATION
FOR FISCAL YEAR 2024**

March 13, 2023

THE DIRECTOR

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF MANAGEMENT AND BUDGET
WASHINGTON, D.C. 20503

March 13, 2023

The President
The White House
Washington, DC 20500

Dear Mr. President:

Enclosed please find the *OMB Report to the Congress on the BBEDCA 251A Sequestration for Fiscal Year 2024*. The report has been prepared consistent with the requirements of the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA). The Office of Management and Budget (OMB) is required to report the reductions required for each non-exempt budget account with direct spending.

Sincerely,

A handwritten signature in cursive script that reads "Shalanda D. Young".

Shalanda D. Young

Enclosure

Identical Letter Sent to The Honorable Kamala Harris
and The Honorable Kevin McCarthy

OMB REPORT TO THE CONGRESS ON THE BBEDCA 251A SEQUESTRATION FOR FISCAL YEAR 2024

The Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA) requires the President to order a sequestration of 2024¹ direct spending resources and the Office of Management and Budget (OMB) to report those reductions to the Congress with the transmittal of the Budget.

BBEDCA requires that, for 2024, the sequestration percentages be the same percentages OMB calculated in the *OMB Report to the Congress on the Joint Committee Reductions for Fiscal Year 2021*. The sequestration percentages for non-exempt direct spending are: 2.0% for Medicare, 5.7% for other non-exempt nondefense mandatory programs, and 8.3% for non-exempt defense mandatory programs. Under current law, these sequestration percentages will be applied in each of fiscal years through 2031.²

Determination of the Sequestrable Base

BBEDCA 251A sequestration applies to non-exempt direct spending budgetary resources. Pursuant to sections 251A(6), 255, and 256, most direct spending is exempt from sequestration or, in the case of the Medicare program and certain other health programs, is subject to a 2 percent limit on sequestration.

Pursuant to paragraphs (3) and (4) of section 251A, estimates of sequestrable budgetary resources for budget accounts with direct spending are equal to the current law baseline amounts contained in the 2024 President's Budget. The estimates of sequestrable resources also include direct spending unobligated balances in the defense function³ and Federal administrative expenses that would otherwise be exempt.⁴

The majority of estimated direct spending unobligated balances in the defense function are in Department of Defense accounts. The Department of Defense estimates of unobligated balances as of October 1, 2023, are consistent with the estimates in the 2024 Budget.

For purposes of applying the BBEDCA 251A sequestration, "administrative expenses" for typical Government programs are defined as the object classes for personnel compensation, travel, transportation, communication, equipment, supplies, materials, and other services. For Government programs engaging in commercial, business-like activities, administrative expenses constitute overhead costs that are necessary to run a business, and not expenses that are directly tied to the production and delivery of goods or services.

¹ All years in this report refer to fiscal years unless otherwise specified.

² BBEDCA originally required reductions only through 2021. The mandatory sequestration provisions have been extended several times: through 2023 by the Bipartisan Budget Act (BBA) of 2013 (Public Law 113-67); through 2024 by the Military Retired Pay Restoration Act (Public Law 113-82); through 2025 by the BBA of 2015 (Public Law 114-74); through 2027 by the BBA of 2018 (Public Law 115-123); through 2029 by the BBA of 2019 (Public Law 116-37); through 2030 by the CARES Act (Public Law 116-136); and through 2031 by the Infrastructure Investment and Jobs Act (Public Law 117-58). The Consolidated Appropriations Act, 2023 (Public Law 117-328) extended the sequestration for Medicare through the first 6 months of 2032.

³ Defense function unobligated balances are not exempt from sequestration pursuant to section 255(e) of BBEDCA.

⁴ Under section 256(h) of BBEDCA, Federal administrative expenses are subject to sequestration pursuant to an order issued under section 254 "without regard to any exemption, exception, limitation, or special rule that is otherwise applicable." Although this order is not issued pursuant to section 254, section 251A(6) requires that the special rules in section 256 apply to this order.

Estimates of defense and non-defense function reductions

The non-exempt defense function budgetary resources are estimated to be \$23.566 billion and an 8.3% reduction would be \$1.959 billion. The non-exempt non-defense function budgetary resources are estimated to be \$114.635 billion and a 5.7% reduction would be \$6.534 billion. Medicare and certain other health programs are limited to a 2% reduction; Medicare budgetary resources are estimated to be \$952.177 billion and a 2% reduction would be \$19.044 billion. The total estimated budgetary resources subject to sequestration is \$1,090.528 billion and the total reduction is \$27.537 billion.

TOTAL REDUCTION BY FUNCTION

(in billions of dollars)

Category of Spending	Percentage Reduction	Base	Reduction
Total Defense function	8.3%	23.566	1.956
Total Non-Defense function	5.7%	114.635	6.534
Medicare	2.0%	952.177	19.044
Total Reduction.....		1,090.528	27.537

Student Loan Savings

Pursuant to sections 251A(6) and 256(b), student loan fees are increased by the same uniform percentage as non-exempt non-defense resources are reduced. Each percentage point increase in the sequestration rate is estimated to result in \$0.009 billion of savings in the direct student loan program. This percentage reduction yields outlay savings of \$0.051 billion in the direct student loan program.

Direct Spending Reductions by Budget Account (Appendix)

The Appendix of this report sets forth the percentage and dollar amount of the reductions required for each budget account with sequestrable direct spending. Specifically, the Appendix shows the sequestrable budgetary resources in each budget account with direct spending, the percentage reduction required for each sequestrable budgetary resource, and the resulting reduction. For illustrative purposes only, the Appendix shows the application of the same percentage reduction to each type of budgetary resource within a budget account with direct spending. There is no requirement that sequestration be applied equally to each type of budgetary resource within a budget account. Section 256(k)(2) of BBEDCA requires that sequestration be applied equally at the program, project, and activity level.

**APPENDIX:
DIRECT SPENDING SEQUESTERABLE BUDGETARY RESOURCES
AND REDUCTIONS BY BUDGET ACCOUNT**

(Fiscal year 2024; in millions of dollars)

Based on sections 251A, 255, and 256 of the Balanced Budget and Emergency
Deficit Control Act of 1985 (BBEDCA)

Percentages Used:

8.3 percent – Defense mandatory
5.7 percent – Nondefense mandatory
2.0 percent – Medicare program

The Appendix shows the application of the same percentage reduction to each type of budgetary resource within a budget account.

The listing of each type of budgetary resource is for illustrative purposes only. Pursuant to section 256(k)(2) of the Balanced Budget and Emergency Deficit Control Act of 1985, the sequestration must be applied equally at the program, project, and activity level, but need not be applied equally to each type of budgetary resource within a budget account.

The sequestration percentages are applied against each type of sequesterable budgetary resource within a budget account.

Standard Setting Body			
527-00-5377 Payment to Standard Setting Body			
Nondefense Mandatory Appropriation	47	5.7	3

Amounts may not sum to total due to rounding.

Mandatory Federal administrative expenses of otherwise exempt accounts are sequestrable pursuant to section 251A(8) and section 256(h) of BBEDCA.

Unobligated balances of budget authority carried over from prior fiscal years in defense function 050 accounts are sequestrable.

For intragovernmental payments, sequestration is applied to the paying account. The funds are generally exempt in the receiving account in accordance with section 255(g)(1)(A) of BBEDCA so that the same dollars are not sequestered twice.
