The Budget proposes to establish a national, comprehensive paid family and medical leave program administered by SSA. The program would: provide workers with progressive, partial wage replacement to take time off for family and medical reasons; include robust administrative funding; and use an inclusive family definition. The Budget would provide up to 12 weeks of leave to allow eligible workers to take time off to: care and bond with a new child; care for a seriously ill loved one; heal from their own serious illness; address circumstances arising from a loved one's military deployment; or find safety from domestic violence, sexual assault, or stalking. The Budget would also provide up to three days to grieve the death of a loved one.

The Limitation on Administrative Expenses (LAE) account provides resources for Social Security to administer the Old-Age and Survivors Insurance (OASI) and Disability Insurance (SSDI) programs, the Supplemental Security Income (SSI) program, the Special Benefits for Certain World War II Veterans program, and certain health insurance functions for the aged and disabled. Public Law 114–10 prohibits displaying, coding, or embedding Social Security numbers on a beneficiary's Medicare card. In order to fund implementation costs for this provision, SSA received \$98 million funded incrementally from FY 2015 to FY 2018. The account also includes funding to improve service delivery and advance equity in SSA programs.

The proposed \$1.9 billion in discretionary funding in 2024 for dedicated program integrity activities, including a \$1.6 billion allocation adjustment, allows SSA to conduct continuing disability reviews and SSI redeterminations to confirm that participants remain eligible to receive benefits, and it supports anti-fraud cooperative disability investigation (CDI) units and Special Assistant U.S. Fraud Attorneys. To continue to support these important anti-fraud activities, the appropriations language provides for SSA to transfer \$19.1 million to the SSA Office of the Inspector General to fund CDI unit costs.
