# INVESTING IN AMERICA

---

---

## Open and Upcoming Infrastructure Funding Opportunities

As of January 30, 2024

Since President Biden signed the Bipartisan Infrastructure Law, his Administration has hit the ground running to deliver investments that change people’s lives for the better and get America moving again. The Biden-Harris Administration is committed to making funding opportunities accessible and transparent, so communities across America know what to apply for, who to contact, and how to get ready to rebuild. This document highlights funding opportunities that communities can apply for today as well as a calendar of key upcoming funding opportunities for 2024. For more information on the full set of programs in the Bipartisan Infrastructure Law, including upcoming milestones, visit [build.gov](https://www.build.gov).

**OPEN NOTICE OF FUNDING OPPORTUNITIES TO APPLY FOR TODAY ..... 1**

**2024 CALENDAR OF UPCOMING FUNDING OPPORTUNITIES ..... 77**

### OPEN FUNDING OPPORTUNITIES TO APPLY FOR TODAY

| Program | Agency | Description | Deadline | Link to Application/ Information |
|---------|--------|-------------|----------|----------------------------------|
|---------|--------|-------------|----------|----------------------------------|

| <b>TRANSPORTATION</b>  |                                 |   |  |                              |
|--|---------------------------------|---|--|------------------------------|
| <b>Clean School Bus Rebates Program</b>  | Environmental Protection Agency | This program provides funding to school districts and other school bus providers to replace polluting diesel school buses with electric or low-emission buses.  | <b>02/14/2024</b>  | <a href="#">Link to NOFO</a> |
| <b>RAISE</b>   | Department of Transportation    | These grants support planning or constructing surface transportation infrastructure projects that will improve safety; environmental sustainability; quality of life; mobility and community connectivity; economic competitiveness and opportunity including tourism; state of good repair; partnership and collaboration; and innovation. | <b>02/28/2024</b>  | <a href="#">Link to NOFO</a> |
| <b>Bridge Investment Program – Other than Large and Planning</b>                     | Department of Transportation    | Bridge Project Grants under the Bridge Investment Program are available for bridges with total eligible project costs up to \$100 million. Planning Project grants support up to 80% of the bridge project planning costs.  | <b>Planning Project Grants: 2/19/2024</b><br><b>Bridge Project Grants: 3/19/2024</b> | <a href="#">Link to NOFO</a> |
| <b>POWER, CLEAN ENERGY &amp; WORKFORCE DEVELOPMENT</b>                               |                                 |   |  |                              |
| <b>Electric Drive Vehicle Battery Recycling and Second-Life Applications Program</b> | Department of Energy            | This program is designed to expand an existing program at Department of Energy for research, development, and demonstration of electric vehicle battery recycling and second-life applications for vehicle batteries.   | <b>Concept papers due 2/7/2024</b><br><b>Full applications due 4/19/2024</b>         | <a href="#">Link to NOFO</a> |
| <b>Carbon Storage Validation and Testing</b>   | Department of Energy            | This funding will support the transport and permanent storage of carbon dioxide (CO2) captured from industrial and power generation facilities, as well   | <b>2/20/2024</b>   | <a href="#">Link to NOFO</a> |

|  |                      |  |   |                              |
|--|----------------------|--|---|------------------------------|
|  |                      | as from legacy CO2 emissions removed directly from the atmosphere.   |   |                              |
| <b>Battery Materials Processing Grants Program</b> | Department of Energy | This funding will boost domestic production of advanced batteries and battery materials nationwide. Projects funded through this program will create new, retrofitted, and expanded domestic facilities for battery-grade processed critical minerals, battery precursor materials, battery components, and cell and pack manufacturing.   | <b>3/19/2024</b>  | <a href="#">Link to NOFO</a> |
| <b>Energy Auditor Training Grant Program</b>       | Department of Energy | This program is designed to provide grants to eligible states to train individuals to conduct energy audits or surveys of commercial and residential buildings to build the clean energy workforce, save customers money on their energy bills, and reduce pollution from building energy use.   | <b>Concept Papers due 3/28/2024</b><br><b>Full applications due 6/28/2024</b> | <a href="#">Link to NOFO</a> |
| <b>Grid Resilience Innovation Partnerships</b>     | Department of Energy | This funding will support projects that will improve electric transmission by increasing funding and advancing interconnection processes for faster build out of energy projects, create comprehensive solutions that link grid communications systems and operations to increase resilience and reduce power outages and threats, and deploy advanced technologies such as distributed energy resources and battery systems to provide essential grid services. | <b>4/17/2024</b>  | <a href="#">Link to NOFO</a> |

|   |   |  |                                |                              |
|---|---|--|--------------------------------|------------------------------|
| <b>Energy Efficiency and Conservation Block Grant Program</b>   | Department of Energy                              | Grants to assist states, local governments, and Tribes in implementing strategies to reduce energy use, to reduce fossil fuel emissions, and to improve energy efficiency. | <b>4/30/2024</b>               | <a href="#">Link to NOFO</a> |
| <b>RESILIENCE, ENVIRONMENT, AND LEGACY POLLUTION</b>            |   |  |                                |                              |
| <b>Building Resilient Infrastructure and Communities (BRIC)</b> | Department of Homeland Security, FEMA             | This program funds projects to improve communities' resilience to a range of climate and natural hazards.  | <b>2/29/2024</b>               | <a href="#">Link to NOFO</a> |
| <b>Flood Mitigation Assistance (FMA)</b>                        | Department of Homeland Security, FEMA             | This program funds projects to reduce the risk of flood damage to buildings insured by the National Flood Insurance Program.   | <b>2/29/2024</b>               | <a href="#">Link to NOFO</a> |
| <b>STORM Revolving Loan Fund Program</b>                        | Department of Homeland Security, FEMA             | This program provides funding to states to establish revolving loan funds for hazard mitigation projects.  | <b>4/30/2024</b>               | <a href="#">Link to NOFO</a> |
| <b>Swift Current</b>  | Department of Homeland Security, FEMA             | This program provides flood mitigation assistance to reduce the risk of future flood damage in areas following a major disaster declaration.                               | <b>5/31/2024</b>               | <a href="#">Link to NOFO</a> |
| <b>High-Hazard Potential Dam Grants</b>                         | Department of Homeland Security, FEMA             | This program provides funding for the rehabilitation of designated high-hazard potential dams.   | <b>2/29/2024</b>               | <a href="#">Link to NOFO</a> |
| <b>National Dam Safety Program</b>                              | Department of Homeland Security, FEMA             | This program provides State Assistance to strengthen states' dam safety programs.  | <b>2/29/2024</b>               | <a href="#">Link to NOFO</a> |
| <b>WaterSMART Water and Energy Efficiency Grants</b>            | Department of the Interior, Bureau of Reclamation | This funding allows communities to implement projects that reduce water use and increase renewable energy production.  | <b>2/22/2024</b>               | <a href="#">Link to NOFO</a> |
| <b>WaterSMART Large-Scale Water Recycling Projects</b>          | Department of the Interior, Bureau of Reclamation | This funding allows communities to implement large projects to recycle and conserve water.   | <b>3/29/2024 and 9/30/2024</b> | <a href="#">Link to NOFO</a> |
| <b>WaterSMART Small-Scale Water Efficiency Projects</b>         | Department of the Interior, Bureau of Reclamation | This program funds small projects that reduce water use.   | <b>7/9/2024</b>                | <a href="#">Link to NOFO</a> |

|   |   |   |  |                              |
|---|---|---|--|------------------------------|
| <b>WaterSMART Cooperative Watershed Management</b>                  | Department of the Interior, Bureau of Reclamation | This funding allows communities to form watershed management groups or implement watershed projects.  | <b>9/3/2024</b>  | <a href="#">Link to NOFO</a> |
| <b>WaterSMART Desalination Construction Projects</b>                | Department of the Interior, Bureau of Reclamation | This program funds seawater and brackish water desalination projects.   | <b>9/30/2024</b>   | <a href="#">Link to NOFO</a> |
| <b>WaterSMART Title XVI Water Recycling Projects</b>                | Department of the Interior, Bureau of Reclamation | This program funds projects that reclaim or reuse water.  | <b>9/30/2024</b>   | <a href="#">Link to NOFO</a> |
| <b>Abandoned Mine Land State Formula Grants</b>                     | Department of the Interior                        | This program provides formula grants to states to remediate abandoned coal mine lands.  | <b>9/30/2024</b>   | <a href="#">Link to NOFO</a> |
| <b>Gulf of Mexico Geographic Program</b>                            | Environmental Protection Agency                   | This program funds projects that support water quality improvement; habitat protection, enhancement and restoration; environmental education; and community resilience in the Gulf of Mexico watershed.   | <b>4/4/2024</b>  | <a href="#">Link to NOFO</a> |
| <b>Drinking Water and Clean Water State Revolving Funds</b>         | Environmental Protection Agency                   | EPA State revolving funds are a federal-state partnership that provides low-cost financing to communities for a wide range of water quality infrastructure projects, including municipal wastewater facilities, nonpoint source pollution control, decentralized wastewater treatment systems, stormwater runoff mitigation, green infrastructure, estuary protection, and water reuse. | <b>Funding for projects is available from states on rolling basis;</b><br><br><b>State capitalization grant award deadline of 9/30/2024 for FY23 funding</b> | <a href="#">Link to NOFO</a> |
| <b>Emerging Contaminants for Small or Disadvantaged Communities</b> | Environmental Protection Agency                   | This EPA grant program addresses emerging contaminants, including PFAS for scoping, planning, testing and remediating emerging  | <b>Rolling Basis</b>   | <a href="#">Link to NOFO</a> |

|   |                                     |   |                      |                              |
|---|-------------------------------------|---|----------------------|------------------------------|
|   |                                     | contaminants in drinking and source water.  |                      |                              |
| <b>High Speed Internet and Community Development</b>                  |                                     |   |                      |                              |
| <b>READY Appalachia: Local Governments</b>                            | Appalachian Regional Commission     | This funding provides no-cost training to help local government officials better identify, secure, manage, and implement federally funded projects.   | <b>2/29/2024</b>     | <a href="#">Link to NOFO</a> |
| <b>Appalachian Regional Initiative for Stronger Economies (ARISE)</b> | Appalachian Regional Commission     | This program aims to drive large-scale, regional economic transformation through multi-state collaborative projects across Appalachia. ARC launched ARISE to strengthen Appalachian business and industry, and to grow and support the development of new opportunities across multiple states. | <b>Rolling Basis</b> | <a href="#">Link to NOFO</a> |
| <b>Catalyst Program</b>   | Northern Border Regional Commission | The Catalyst Program is designed to stimulate economic growth and inspire partnerships that improve rural economic vitality across the Northern Border Regional Commission (NBRC) four-state region.  | <b>3/15/2024</b>     | <a href="#">Link to NOFO</a> |
| <b>Tribal Broadband Connectivity Program (TBCP)</b>                   | Department of Commerce              | This second round of funding will support the deployment of Internet infrastructure, affordability programs, telehealth and distance learning initiatives on Native American, Alaska Native and Native Hawaiian lands.  | <b>3/22/2024</b>     | <a href="#">Link to NOFO</a> |
| <b>Strategic Planning Program Fund</b>                                | Delta Regional Authority            | This program will give public entities in the Delta Region access to strategic planning funds to address long-standing issues and develop a roadmap for economic growth and opportunity. Eligible plans include, economic development, utility  | <b>Rolling Basis</b> | <a href="#">Link to NOFO</a> |

|                                      |                          |   |                      |                              |
|--------------------------------------|--------------------------|---|----------------------|------------------------------|
|                                      |                          | rate studies, transportation plans, workforce development plans, and broadband deployment plans.  |                      |                              |
| <b>Community Infrastructure Fund</b> | Delta Regional Authority | This funding will support economic and community development needs within DRA's region. Approximately \$30 million is available to address basic public and transportation infrastructure, as well as flood control issues for communities within DRA's eight-state service area. | <b>Rolling Basis</b> | <a href="#">Link to NOFO</a> |

## 2024 CALENDAR OF UPCOMING FUNDING OPPORTUNITIES

| Program   | Agency                          |
|---|---------------------------------|
| Winter 2024   |                                 |
| <b>Pollution Prevention Grants</b>  | Environmental Protection Agency |
| <b>Great Lakes Community Environmental Justice Funding Program</b>                          | Environmental Protection Agency |
| <b>Clean Water and Drinking Water State Revolving Fund Allocations</b>                      | Environmental Protection Agency |
| <b>Low and No Emissions and Bus and Bus Facilities</b>                                      | Department of Transportation    |
| <b>Port Infrastructure Development Program</b>  | Department of Transportation    |
| <b>Safe Streets and Roads for All</b>   | Department of Transportation    |
| <b>Carbon Dioxide Transportation Infrastructure Finance and Innovation</b>                  | Department of Energy            |
| <b>Cybersecurity for the Energy Sector Research, Development, and Demonstration Program</b> | Department of Energy            |
| Spring 2024   |                                 |
| <b>Federal-State Partnership for Intercity Rail (NEC)</b>                                   | Department of Transportation    |
| <b>Federal-State Partnership for Intercity Rail (National)</b>                              | Department of Transportation    |

|  |                                     |
|--|-------------------------------------|
| <b>Consolidated Rail Infrastructure Finance and Innovation</b>                   | Department of Transportation        |
| <b>Digital Equity Capacity Grant Program</b>                                     | Department of Commerce              |
| <b>Denali Commission Funding</b>   | Denali Commission                   |
| Summer 2024  |                                     |
| <b>Multimodal Project Discretionary Grant Program</b>                            | Department of Transportation        |
| <b>SMART</b>   | Department of Transportation        |
| <b>Reconnecting Communities Program</b>  | Department of Transportation        |
| Fall 2024  |                                     |
| <b>Rebuilding American Infrastructure with Sustainability and Equity (RAISE)</b> | Department of Transportation        |
| <b>Clean School Bus Rebates Program</b>  | Environmental Protection Agency     |
| <b>Catalyst Program</b>  | Northern Border Regional Commission |
| <b>Digital Equity Competitive Grant Program</b>                                  | Department of Commerce              |
