Project Spotlights

- ★ The Arizona Department of Transportation was awarded \$95 million to widen approximately 10 miles of I-10 in the Gila River Indian Community and Pinal County south of Phoenix from two lanes to three lanes, make interchange improvements and build a new interchange, and remove or replace low-clearance bridges along the route.
- ★ The U.S. Army Corps of Engineers invested \$65 million to reduce flood risks along the Little Colorado River in Winslow, Navajo County. This project will help protect the 5,000 people who live and work within the flood plain.
- ★ The General Services Administration and Department of Homeland Security have invested over \$200 million from the Bipartisan Infrastructure Law to modernize and expand the San Luis I Land Port of Entry. This project will double the number of vehicle inspection lanes and boost pedestrian inspection capacity by 40% while creating good-paying jobs for local communities.
- ★ The Gila River Indian Community received \$118 million from the Department of the Interior for a reclaimed water pipeline and crop irrigation project that will conserve a critical 200,000 acre-feet of water to help alleviate drought in the Colorado River Basin.

Infrastructure

- **\$7.9 billion** in Bipartisan Infrastructure Law funding has been announced to Arizona for **635 projects**, including:
 - **\$4.7 billion for transportation:** \$3.4 billion for roads and bridges, \$652.9 million for public transit, \$265.1 million for airports, \$0.9 million for ports and waterways.
 - **\$1.6 billion for high-speed internet.**
 - **\$547.1 million for clean water**, including \$79.6 million to replace toxic lead pipes.
 - **\$171.6 million for clean transportation:** \$56.8 million for EV chargers, \$63.3 million for clean transit buses, and \$51.5 million for clean school buses.
 - **\$137.6 million to clean up legacy pollution.**
 - **\$318.3 million for resilience**, to strengthen our communities' readiness for climate impacts and other threats.

Clean Energy and Climate

- Under the Biden-Harris Administration, private companies have announced **\$120.9 billion** in commitments to invest in 21st century industries, including:
 - **\$7.6 billion** for clean power projects, including solar, wind, and batteries.
 - **\$2.9 billion** for clean energy manufacturing.
- **\$485.7 million** in public funding has been announced for grants, rebates, and other initiatives to accelerate the deployment of clean energy, clean buildings, and clean manufacturing. This is not inclusive of the clean energy tax incentives from the Inflation Reduction Act.

Lowering Costs

- **\$153.3 million** in home energy rebates to cut energy costs by weatherizing homes and replacing old appliances with more efficient models.
- **1.5 million** seniors and other Medicare beneficiaries will save money on prescription drug costs because of President Biden's \$2,000 yearly cap on out-of-pocket prescription drug costs, a \$35 monthly cap per insulin prescription, free vaccines, inflation rebates, and a drug price negotiation program.
- **348,000** individuals in Arizona signed up for health insurance through the Affordable Care Act Marketplaces during the Open Enrollment Period for 2023 and will benefit from average savings of about \$800/year from lower health care premiums.
