

# Designed with Families in Mind

*The One Big Beautiful Bill is the most pro-family legislation in history.*

**Bigger Paychecks:** Boosts take-home pay for a typical hardworking family by [OVER \\$10,000 a year](#).

**Historic Tax Relief for Families:** 15% average tax cut for Americans earning [\\$15,000–\\$80,000](#).

**Enhances Child Tax Credit:** Permanent increases to the child tax credit, supporting over 40 million families.

**Supports Working Families:** Expands childcare access and makes the paid leave tax credit permanent.

**Establishes Trump Investment Accounts for Newborns:** Creates tax-advantaged savings accounts to secure financial futures for every American child from birth.

**No Tax on Seniors' Social Security:** Introduces unprecedented financial relief for seniors.

**Supports Family Farms:** Protects two million family farms from excessive taxation by raising the death tax exemption, helping generational farms stay in the family by increasing the amount family farms can inherit tax free.

**Empowers School Choice:** Enhances savings accounts to make education affordable and allow American families to choose the education that best fits their needs.

## Does

Delivers the largest tax cut for middle- and working-class Americans in history, crafted to provide support to hardworking families.

We will **STRENGTHEN** and **PROTECT** Medicaid for every **eligible American who relies on it** to ensure these benefits will be protected for pregnant women, children, people with disabilities, low-income seniors, and other vulnerable low-income families.

The reasonable requirements in this bill empower able-bodied adults to work or volunteer 20 hours a week. Studies show work is beneficial for families. It promotes well-being, mental health, physical health, and longevity.

Delivers bigger pay checks— with the passage of our One Big Beautiful Bill Americans can expect to receive [over \\$10,000 more in take-home pay annually](#).

Expand low-income housing credits, establish Trump newborn savings accounts, support working families with increased childcare access, and deliver bigger pay checks for families while driving down cost of living.

## Does Not

*This is a tax break for billionaires.*

*Kicks families off Medicaid.*

*Work requirements force parents to work.*

*Makes life unaffordable.*

*Hurts low-income families.*
