

Permanently Secures Our Borders

This legislation permanently secures our borders by making the largest border security investment in history and empowers ICE to deport the millions of illegal aliens that entered under Joe Biden.

Supports Law and Order at the Border: The One Big Beautiful Bill is crucial to President Trump's law-and-order agenda: deporting illegal aliens, securing our border and supporting law enforcement.

Mass Deportations: Provides funding for AT LEAST one million annual removals, undoing the invasion ushered in under Joe Biden.

Finishes President Trump's Border Wall: Delivering full operational control of our borders is critical to preventing any future foreign invasion and permanently securing our border. This legislation funds hundreds of miles of new border wall, water-based barriers, as well as pedestrian barriers.

Stops the Flow of Deadly Fentanyl: Supports DOJ efforts to combat drug trafficking and precursor chemicals.

Protects Children from Exploitation: Requires fingerprint collection and DNA tests to verify child-sponsor relationships and crack down on criminals who exploit this vulnerable population.

Historic Investment in Border Technology: By enhancing technology at the border, we keep our agents safer and have better capabilities to see in real-time who and what is coming toward our borders.

Securing our Coast: The One Big Beautiful Bill delivers the biggest upgrade to the Coast Guard since World War II—giving them the tools they need to stop illegal activity by sea and fight fentanyl smuggling.
