MEMORANDUM TO THE HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

FROM: Russell T. Vought
Director

SUBJECT: Status of Agency Operations

Appropriations provided under the Full-Year Continuing Appropriations and Extensions Act, 2025 (Public Law 119-4) expire at 11:59 pm tonight. On September 19, the House of Representatives passed H.R. 5371, a clean continuing resolution (CR) that would fund the government through November 21. Unfortunately, Democrat Senators are blocking passage of H.R. 5371 in the Senate due to Democrats' insane policy demands, which include \$1 trillion in new spending.

President Trump supports passage of H.R. 5371, but it is now clear that Democrats will prevent passage of this clean CR prior to 11:59 pm tonight and force a government shutdown. As such, affected agencies should now execute their plans for an orderly shutdown.

It is unclear how long Democrats will maintain their untenable posture, making the duration of the shutdown difficult to predict. Regardless, employees should report to work for their next regularly scheduled tour of duty to undertake orderly shutdown activities. We will issue another memorandum indicating that government functions should resume once the President has signed a bill providing for appropriations.

Agencies should continue to closely monitor developments, and OMB will provide further guidance as appropriate. We greatly appreciate your cooperation and the work you and your agencies do on behalf of the American people.
