3. Filer's Employment Agreements and Arrangements

#	EMPLOYER OR PARTY	CITY, STATE	STATUS AND TERMS	DATE
1	PricewaterhouseCoopers, LLP	New York, New York	I continued to participate in the deferred compensation plan #1 (Alternative Allocation Plan, "AAP"). I am no longer eligible to make contributions to the plan. I receive distributions from the AAP annually over 10 years (ending in 2033). The AAP's nominal rate of return is set to match the monthly rate of return on PwC's Retirement Accumulation Plan For Partners ("RAPP"), which is a qualified plan. As determined by the Trustees of RAPP, the primary investment objective is to generate a return on contributions which will be sufficient to fund the retirement needs of participants and their beneficiaries. To this end, an objective is to generate consistent long term capital appreciation with low volatility through a portfolio having a diversified risk profile. RAPP's assets are held in custody and invested in a diversified mix of equity, bond, real estate, and liquid alternatives investments.	7/2015

#	EMPLOYER OR PARTY	CITY, STATE	STATUS AND TERMS	DATE
2	PricewaterhouseCoopers, LLP	New York, New York	I continued to participate in the deferred compensation plan #2 (Accrual Capital). I am no longer eligible to make contributions to the plan. I receive distributions from the Accrual Capital account monthly over 10 years (ending in 2034). Accrual Capital represents the difference in income earned by the partner before retirement and the amount of income received by the partner (i.e., the difference between an individual partner's share of the firm's income and the amount distributed to that partner). Accrual Capital balances currently earn interest at the average prime rate plus 1% and accrues to the balance at the end of each fiscal year.	6/2004
3	PricewaterhouseCoopers, LLP	New York, New York	I continued to hold assets in the partner deposit program. As a retired PwC partner, I am no longer eligible to make deposits to the program. Funds deposited under the program are treated as a loan to PwC. My deposits are currently allocated to a demand fund, from which I may withdraw funds without penalty at any time. Earlier in the year, I also held deposits in two term funds. The interest rate on the demand fund is equal to the current average prime rate less a fixed amount. The interest rate on the term funds is equal to the current prime rate plus a fixed amount. My outstanding term fund investments matured on February 28, 2025, and May 31, 2025. Maturing funds were deposited into the demand fund.	6/2004
4	PricewaterhouseCoopers LLP 401(k) plan	New York, New York	I continued to participate in this defined contribution plan, but the plan sponsor no longer makes contributions.	6/2004
5	PricewaterhouseCoopers, LLP	New York, New York	I continued to participate in the partner retirement plan. Payments under the plan are fixed subject to partial inflation adjustments.	6/2004
6	PricewaterhouseCoopers, LLP	New York, New York	I continued to participate in the employer health benefit program. Payments under the plan are fixed, subject to partial inflation adjustments.	6/2004

Summary of Contents

1. Filer's Positions Held Outside United States Government

Part 1 discloses positions that the filer held at any time during the reporting period (excluding positions with the United States Government). Positions are reportable even if the filer did not receive compensation.

This section does not include the following: (1) positions with religious, social, fraternal, or political organizations; (2) positions solely of an honorary nature; (3) positions held as part of the filer's official duties with the United States Government; (4) mere membership in an organization; and (5) passive investment interests as a limited partner or non-managing member of a limited liability company.

2. Filer's Employment Assets & Income and Retirement Accounts

Part 2 discloses the following:

- Sources of earned and other non-investment income of the filer totaling more than \$200 during the reporting period (e.g., salary, fees, partnership share, honoraria, scholarships, and prizes)
- Assets related to the filer's business, employment, or other income-generating activities (1) that ended the reporting period with a value greater than \$1,000 or (2) from which more than \$200 in income was received during the reporting period (e.g., equity in business or partnership, stock options, retirement plans/accounts and their underlying holdings as appropriate, deferred compensation, and intellectual property, such as book deals and patents)

This section does not include assets or income from United States Government employment or assets that were acquired separately from the filer's business, employment, or other income-generating activities (e.g., assets purchased through a brokerage account). Note: The type of income is not required if the amount of income is \$0 - \$200 or if the asset qualifies as an excepted investment fund (EIF).

3. Filer's Employment Agreements and Arrangements

Part 3 discloses agreements or arrangements that the filer had during the reporting period with an employer or former employer (except the United States Government), such as the following:

- Future employment

4. Filer's Sources of Compensation Exceeding \$5,000 in a Year

Part 4 discloses sources (except the United States Government) that paid more than \$5,000 in a calendar year for the filer's services during any year of the reporting period.

The filer discloses payments both from employers and from any clients to whom the filer personally provided services. The filer discloses a source even if the source made its payment to the filer's employer and not to the filer. - Assets related to the filer's spouse's employment, business activities, other income-generating activities (1) that ended the reporting period with a value greater than \$1,000 or (2) from which more than \$200 in income was received during the reporting period (e.g., equity in business or partnership, stock options, retirement plans/accounts and their underlying holdings as appropriate, deferred compensation, and intellectual property, such as book deals and patents)

This section does not include assets or income from United States Government employment or assets that were acquired separately from the filer's spouse's business, employment, or other income-generating activities (e.g., assets purchased through a brokerage account).
