MEMORANDUM TO THE SECRETARY OF HOMELAND SECURITY

FROM: Russell T. Vought  
Director

A handwritten signature in blue ink, appearing to read "R. Vought", written over the printed name of the Director.

SUBJECT: Reopening the Department of Homeland Security

This memorandum follows memorandum M-26-08 of February 13, 2026, and updates the status of annual appropriations for the Department of Homeland Security (DHS), Fiscal Year 2026.

President Trump signed H.R. 7147, Further Additional Continuing Appropriations Act, 2026, which ends the partial shutdown and reopens certain affected functions. Therefore, DHS should take all necessary steps to ensure that offices immediately resume normal operations, in accordance with OMB Circular A-11, section 120.41.

We appreciate your cooperation and efforts during this time. Thank you for your service and your continued work on behalf of the American people to usher in President Trump's Golden Age of America.
