

Annex I

Schedule 1

General Notes

1. The provisions of this Schedule are generally expressed in terms of the Harmonized Tariff Schedule of the United States (HTSUS), and the interpretation of the provisions of this Schedule, including the product coverage of subheadings of this Schedule, shall be governed by the General Notes, Section Notes, and Chapter Notes of the HTSUS. To the extent that provisions of this Schedule are identical to the corresponding provisions of the HTSUS, the provisions of this Schedule shall have the same meaning as the corresponding provisions of the HTSUS.
2. The United States commits to provide preferential tariff treatment for originating goods of Jordan in future tariff actions, except for actions under Title VII of the Tariff Act of 1930, section 232 of the Trade Expansion Act of 1962, and section 201 of the Trade Act of 1974, to the extent consistent with domestic law.
3. With respect to originating goods of Jordan classifiable in subheadings of the HTSUS provided in this Schedule, the United States commits to provide the preferential rate of duty in effect under the U.S. – Jordan FTA for goods that qualify as originating under the rules of origin under the U.S. – Jordan FTA, or the most-favored-nation rate of duty in effect, as applicable. This paragraph shall take effect on August 1, 2026, or the date of entry into force of this Agreement, whichever is later.
4. For greater certainty, paragraph 3 shall be applied consistently with Title VII of the Tariff Act of 1930, section 232 of the Trade Expansion Act of 1962, and sections 201 and 301 of the Trade Act of 1974. With regard to any future tariff action resulting from the investigation regarding forced labor import prohibitions under section 301 of the Trade Act of 1974, the United States intends to take into account all information available related to the efforts Jordan has taken or is taking to implement relevant commitments under this Agreement in determining what, if any, action to take.
